Dear Member,

I have been recently appointed Road Race Secretary for the BMAF and I need to know what members want from the road race scene. Please help me in answering this simple and short questionnaire.

1. How far are you prepared to travel to a Championship Race?

Marathon _____ Half Marathon _____ 10 Mile _____

10 K _____ 5K _____.

2. Not all race promoters will support the BMAF financially. To ensure flexibility would you be prepared to pay a small fee to cover admin/medal costs? _____

3. Should age graded performances be included in the results? _____

4. Should the BMAF promote Championship Races which are A) Open to BMAF members only? _____ B) Open to all? _____

5. Would you be interested in participating in off road races i.e a trail championship race which is in the order of 10 to 15 miles in distance? _____

6. Finally, do you have any suggestions on how the BMAF could improve future races?

Many thanks for your time.

Walter Hill. Road Race Secretary BMAF.
